KEY RULES CHANGES FOR ATHLETES IN 2026 AT REGION

- **BLOCKS** are compulsory for athletes in 14s – 17s in all laned track events (400m and below) regardless of footwear worn as per World Athletics Rules. Blocks will be supplied and only those blocks may be used. No private blocks are permitted.
- **FALSE STARTS:**
For 13s athletes, only one false start per race shall be allowed without the disqualification of the athlete(s) responsible for the false start. Any athlete(s) responsible for further false starts in the race shall be disqualified.
For 14s, 15s, 16s, 17s and Under 20 age groups at the Region and State Championships, any athlete responsible for a false start will be disqualified.

RESULTS Results will be posted online at the Athletic.Live website. A direct link will be shared by centres and QR codes will be posted near information.

UNIFORM All athletes must wear their approved centre singlet/t-shirt/crop top with registration number and age patch affixed as per LANSW rules. Fully form-fitting clothing is permitted to cover the knees in the Racewalk by athletes for cultural or medically certified reasons.

CALLROOM Athletes in the first listed **field** events of each day will go straight to their first event. All other athletes **must attend the relevant Call Room** when their event has been announced. Events may be announced to attend call room up to 30 minute before the 'Not Before Time' listed in the program. The Track Call Room and Field Call Room are located at the northern end of the main track, behind the straight track start line. **Only competing athletes are permitted in the Call Room. Only parents rostered to help are permitted in the Call Room.** Parents should not hang around the Call Room once athletes are in the tent. **Athletes are not allowed to wear their spikes in the call room,** they will be given time to put them on at the start line for their event.

ATHLETES WITHDRAWING Any athlete who is withdrawing from any event over the course of the weekend needs to notify their team manager and Information as soon as they know they are unable to compete. This will assist in the smooth running of the program.

TRACK EVENTS HAVE PRIORITY OVER FIELD Athletes should advise the Chief Judge of their event if they believe a clash may occur so that the chief can make arrangements with the clash manager for that athlete to attend call room and compete in their event. Track events take priority when a clash occurs. The athlete is responsible for returning immediately to their field event to complete any further attempts. Athletes should be aware of any potential clashes of events they are competing in.

PROGRESSION FROM TRACK HEATS TO FINAL will be done in accordance with LANSW Rules of Competition. Timed finals are held for all pack start events, 400m and 800m races as well as the 200m, 300m and 400m hurdle events. All other track events will be run as heats and finals unless there is only 1 heat in which the event will be run as a straight final.

The following athletes shall progress to the final in their track event:

- i. If there are 2 heats: 1st, 2nd, and 3rd in each heat plus the next 2 fastest times
- ii. If there are 3 heats: 1st and 2nd in each heat plus the next two fastest times

PROGRESSION FROM REGION TO STATE As per LANSW Rules of Competition, for athletes in the 9's to 12's age groups, the first 2 placegetters in an event will automatically progress to the Little Athletics State Championships. The next best 8 results from all Regional Championships will also qualify to the Little Athletics State Championships. For athletes in the 13's to 15's, the first 2 placegetters in an event will automatically progress to the State Junior Championships. The next 8 positions will be filled from best performances from the Region Championships, any Permit meet in NSW. Athletes in the 16's and 17's will be able to directly enter the State Junior Championships.

SPIKES Shoes are compulsory for all competitors in all events. Spikes may only be worn at the event. Spikes may be worn as follows:

- 8s to 10s: Spikes may not be worn in any event.
- 11s to 12s: Spikes may be worn in all track events run entirely in lanes, all jumps events and javelin.
- U13 to U17: Spikes may be worn in all track events (except Walks), all jumps events, and javelin.

Spike length for track events must NOT exceed 7mm. Spike length for field events must not exceed 9mm. Spike shoes with the spikes removed or blanks inserted may not be worn in any events. Athletes in the 11s – 13s age group who wear spikes do not have to use blocks at ES Marks Athletics Track.

WARMING UP Athletes are NOT to warm up on any part of the track or competition field area.

PARENT ASSISTANCE Parent helpers need to check in with their TEAM MANAGER (not information desk). Closed in shoes are to be worn by parents doing a duty at these Championships. **Parent helpers ARE NOT ALLOWED to provide any assistance, coaching or encouragement to ANY athlete whilst helping at an event. Use of mobile phones is not permitted at any event by athletes or parent helpers.**

PROTESTS Must be submitted by the Team Manager ONLY (on behalf of the athlete) using the Protest Form available from the Information Desk. There is a \$50 fee to lodge a protest, it must be submitted to the information officer no more than 15 minutes after the results have been posted.

On field protests (Field Events ONLY – 13s -17s age groups): If an athlete in the 13s and above age groups makes an immediate oral protest against having an attempt judged as a failure, the Referee and/or Chief of the event may, at their discretion, order that the attempt be measured and the result recorded, in order to preserve the rights of all concerned. At the end of the round the Referee will adjudicate on the protest.

COACHING AREAS will be set aside for coaching during field events for athletes in the **13s -17s age groups ONLY** as per the Rules of Competition. It is the responsibility of the individual athlete to ensure they cross the track safely and do not miss a trial. Athletes from 8s to 12s cannot leave the field event area to receive coaching advice.

MEDALS There will be formal medal presentations for athletes in the 8s for all events. Athletes in the 9s – 12s will be called to receive their medals. Athletes in the 13s and older age groups can collect their medals from the medal area after results have been published. Athletes may choose to use the dais for a photo opportunity.
